

MD0163, USB Control Switch 2-Channel 5V Relay Module

Introduction:

This module uses HID technology, high quality, no need use driver, download data come with inside the application, play and plug. Support Win7, XP 32

system. Use SongLe relay , which can control most voltage is 250V, 10A AC load and 30V 10A load. Control terminal mode: NC/COM/NO Dimensions &

Weight Dimensions 69 mm x 40 mm x 18 mm) Weight 32 g.

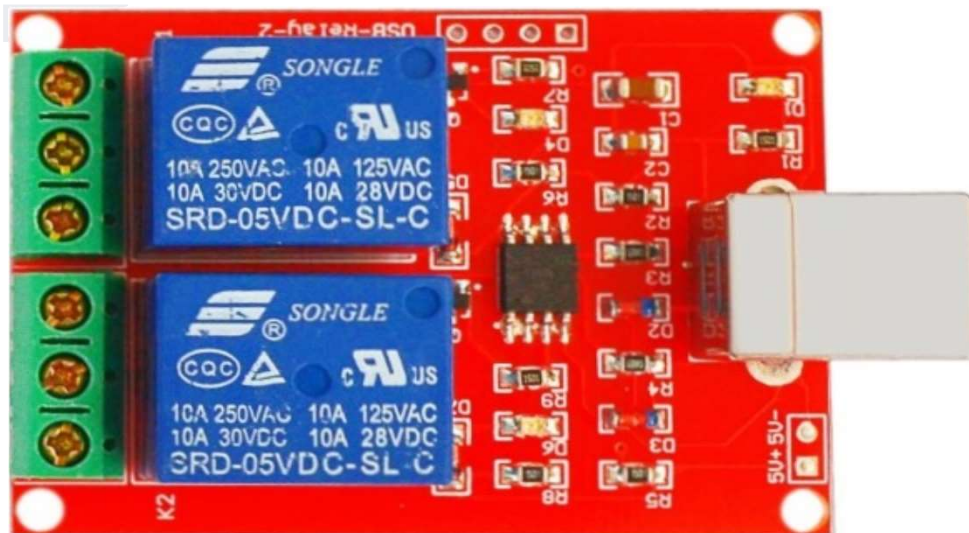

Specification:

Channels: 2 Way

Control Terminals Connection: NC / COM / NO

Voltage: DC 5V Load: 250V 10A AC / DC 30V 10A Max

Fixing hole size: 3mm
