

# Ni-MH Rechargeable Batteries

Camelion Rechargeable Ni-MH batteries offer high capacity performance, up to 1000 recharge cycles, and, because they are used again and again, help reduce environmental waste. High drain devices such as music players and digital cameras are supported, so you can hear more songs and take more photos.

# Ni-Cd Rechargeable Batteries

Like Ni-MH batteries these can be used again and again, but are primarily for moderate to low drain devices including music players, radios and remote controls. Since these batteries contain cadmium please dispose of carefully after use.
